## INFORMATION ON THE NEW METHOD OF PAYMENT

Management appreciates the Parents for your commitment so far and that you have chosen our University for educating your children for a better future.

We are writing to inform you of an important update regarding the new method of payment for the upcoming session.

The introduction of the new method of payment is to ease the assessment of students' financial records in the University and convenient means of making payments through the Student Portal even without visiting the banks.

### **How to make payment by Parents/Guardians/Sponsors through their portal**
